

JOIN THE CAMPAIGN FOR BETTER UNIVERSITIES

**MORE FOR
HIGHER ED**
For staff, students and the public good

The Federal Government's expansive review of higher education is a valuable opportunity to change the future of higher education. For decades, thousands of higher education staff have experienced insecure employment, wage theft and damaging workplace culture because of poor university governance.

Sign the petition to demand better governance of our public universities and better conditions for staff and students. www.neu.info/accord
